2. Add your clients to Allminds

The screenshot shows the Allminds mobile application interface. At the top, it displays "Allminds 6:22 pm · Fri, Jul 10". On the left, there's a profile icon with a cartoon character and the text "Hello Jane!" followed by the email "jane@gmail.com". Below this are buttons for "Dashboard" (with a bar chart icon) and "Search Clients" (with a magnifying glass icon). A "Add Client" button with a plus sign is also present. A dark callout bubble with white text says "Or here!". In the center, a large blue box contains the "Welcome to Allminds!" message, "Add your first clients to get started", and a prominent "Add a client" button. A secondary callout bubble points to this button with the text "Click here to add your first client". At the bottom, there are two circular performance metrics: one showing "0 hrs" with a blue diamond icon and another showing "0 hrs" with a red diamond icon.

Allminds 10:41 am · Mon, Jul 27

The screenshot shows the Allminds application interface. At the top left, it displays "Allminds" and the date and time "10:41 am · Mon, Jul 27". On the far right, there is a user icon. The main area features a client profile for "JDO". The profile includes a circular icon with a stylized figure, the name "Hello Jane!", and the email "jane@gmail.com". Below the profile are three buttons: "Dashboard", "Search Clients", and "Add Client". To the right of the profile, a large blue rectangular area contains the text "Ready to see J? Their progress and feedback will appear here" above a blue "Start session" button. A dark callout box with white text is overlaid on this area, pointing towards the "Edit" icon next to the client's name, containing the instruction "Click here to edit your client's information". At the bottom right of the blue area, there is a cartoon illustration of a person working at a desk with a laptop, surrounded by speech bubbles and a cat.

3. Start a session with a client

The screenshot shows the Allminds application interface. At the top, it displays "Allminds" and the date and time "10:41 am · Mon, Jul 27". On the right side, there is a circular profile icon with a blue border.

In the center, there is a client profile for "JDO" (Jane Doe), indicated by a pencil icon next to the name. The profile includes a small circular icon with a cartoon character, the name "Hello Jane!", and the email "jane@gmail.com".

On the left sidebar, there are several navigation options: "Dashboard" (with a bar chart icon), "Search Clients" (with a magnifying glass icon), and "Add Client" (with a plus sign icon). Below these is a button labeled "JDO" with a blue icon.

The main area features a large blue button with the text "Ready to see J?". Below it, a smaller text says "Their progress and feedback will appear here". At the bottom of this button is a blue "Start session" button with a video camera icon.

A dark callout box with a light blue border is overlaid on the right side of the screen. It contains the text "Click here to start your session with this client" and shows a blurred background image of two people in a video call.

A screenshot of a web browser window titled "Allminds" with the URL "localhost:8080/video/pLixYO12nm4TRnDRinDh". A permission dialog box is overlaid on the page, asking for access to the microphone and camera. The main content area displays a large message: "You will be redirected to a preview screen. Note that you are not in the video session yet!". Below this message are three circular icons: a microphone, a camera, and a gear. At the bottom of the page, the text "Session ready" is displayed, along with a unique session link: "https://allminds.io/session/pLixYO12nm4TRnDRinDh". There is also a "COPY" button next to the link. A question "Need to invite a guest?" is present, followed by "Join Room" and "Exit" buttons.

You will be redirected to the video call. At this point your client will be allowed to join the video session when they visit the URL you previously shared with them

4. Instructions for client joining video session

- Instruct your client to visit the URL that you shared with them
- The link can be opened on any device with internet access, including smart phones
- Instruct your client to grant permission to their webcam and microphone (same process that you followed)

4. Instructions for client joining video session

Your client will be asked to complete a short well-being questionnaire before entering the video call

Hi Bernie! 🙌

To help Jane, please rate how you currently feel about:

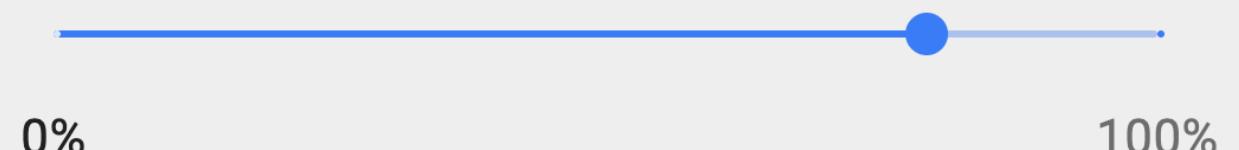

Your personal well-being

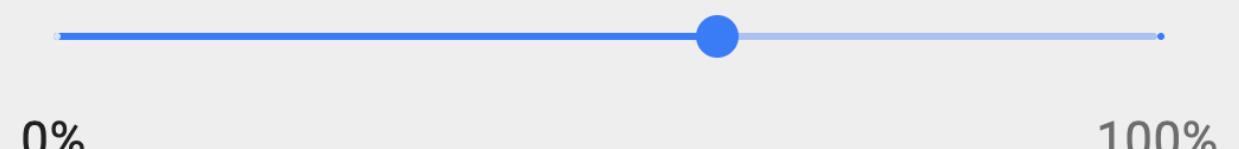

Your close relationships

Your social life

Your overall well-being

Join session

4. Instructions for client joining video session

Note that your client will not be allowed to enter the video session until you have joined. If they try to join before you, they will be instructed to try again later.

Hi Bernie! 🙌

Nobody seems to be here yet 

Jane hasn't joined the session yet. Please double check your scheduled meeting time or try again in a few minutes.

[Try again](#)

[Cancel](#)

5. Admit your client

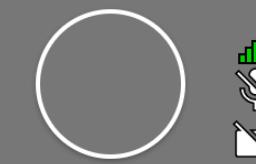

When your client is trying to join the session, you will be alerted and shown their well-being scores

Your client is trying to join the session

 JDO

Personal well-being:	8.4 /10
Close relationships:	5.9 /10
Social life:	8 /10
Overall well-being:	5.7 /10

[Admit](#)

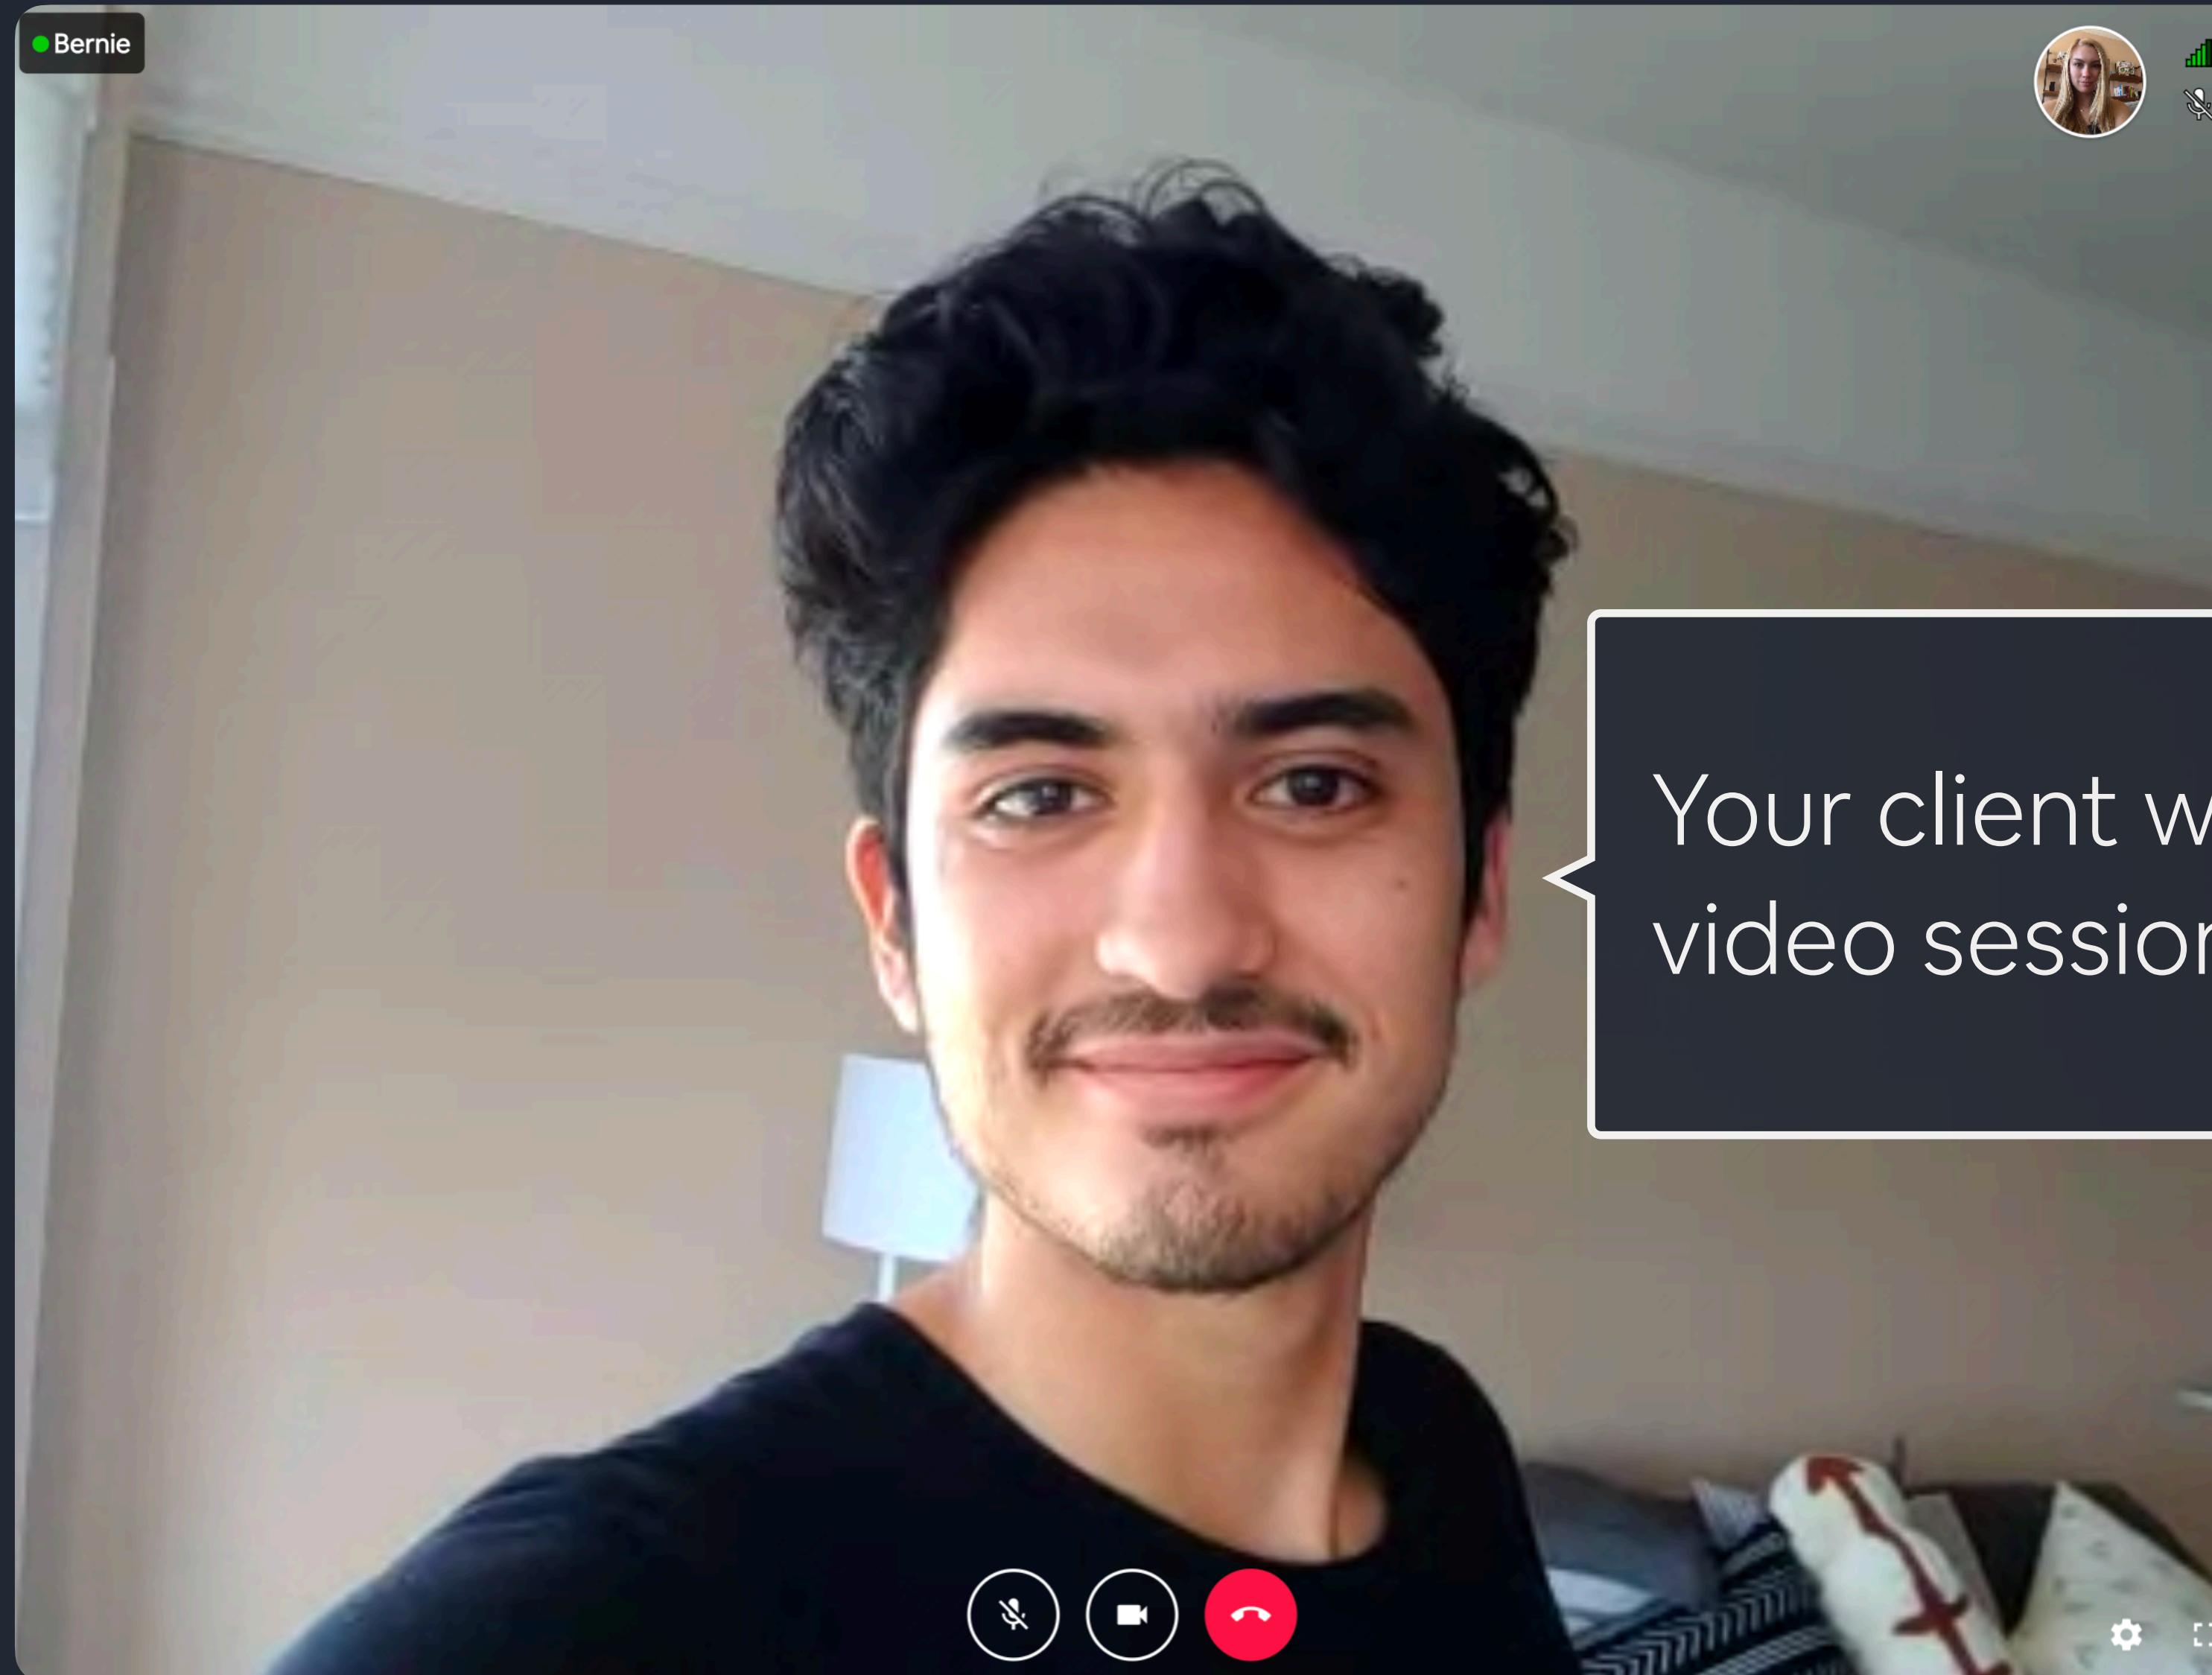

5. Admit your client

The image shows a mobile application interface. At the top, there is a dark header bar with a circular icon on the left and signal strength, battery, and other status icons on the right. Below the header is a white card-like interface. At the top of this card, the text "Your client is trying to joining the session" is displayed. Below this, there is a user profile section with a small circular icon containing a face and the text "JDO". Underneath the profile, four well-being metrics are listed with their respective scores:

Personal well-being:	8.4 /10
Close relationships:	5.9 /10
Social life:	8 /10
Overall well-being:	5.7 /10

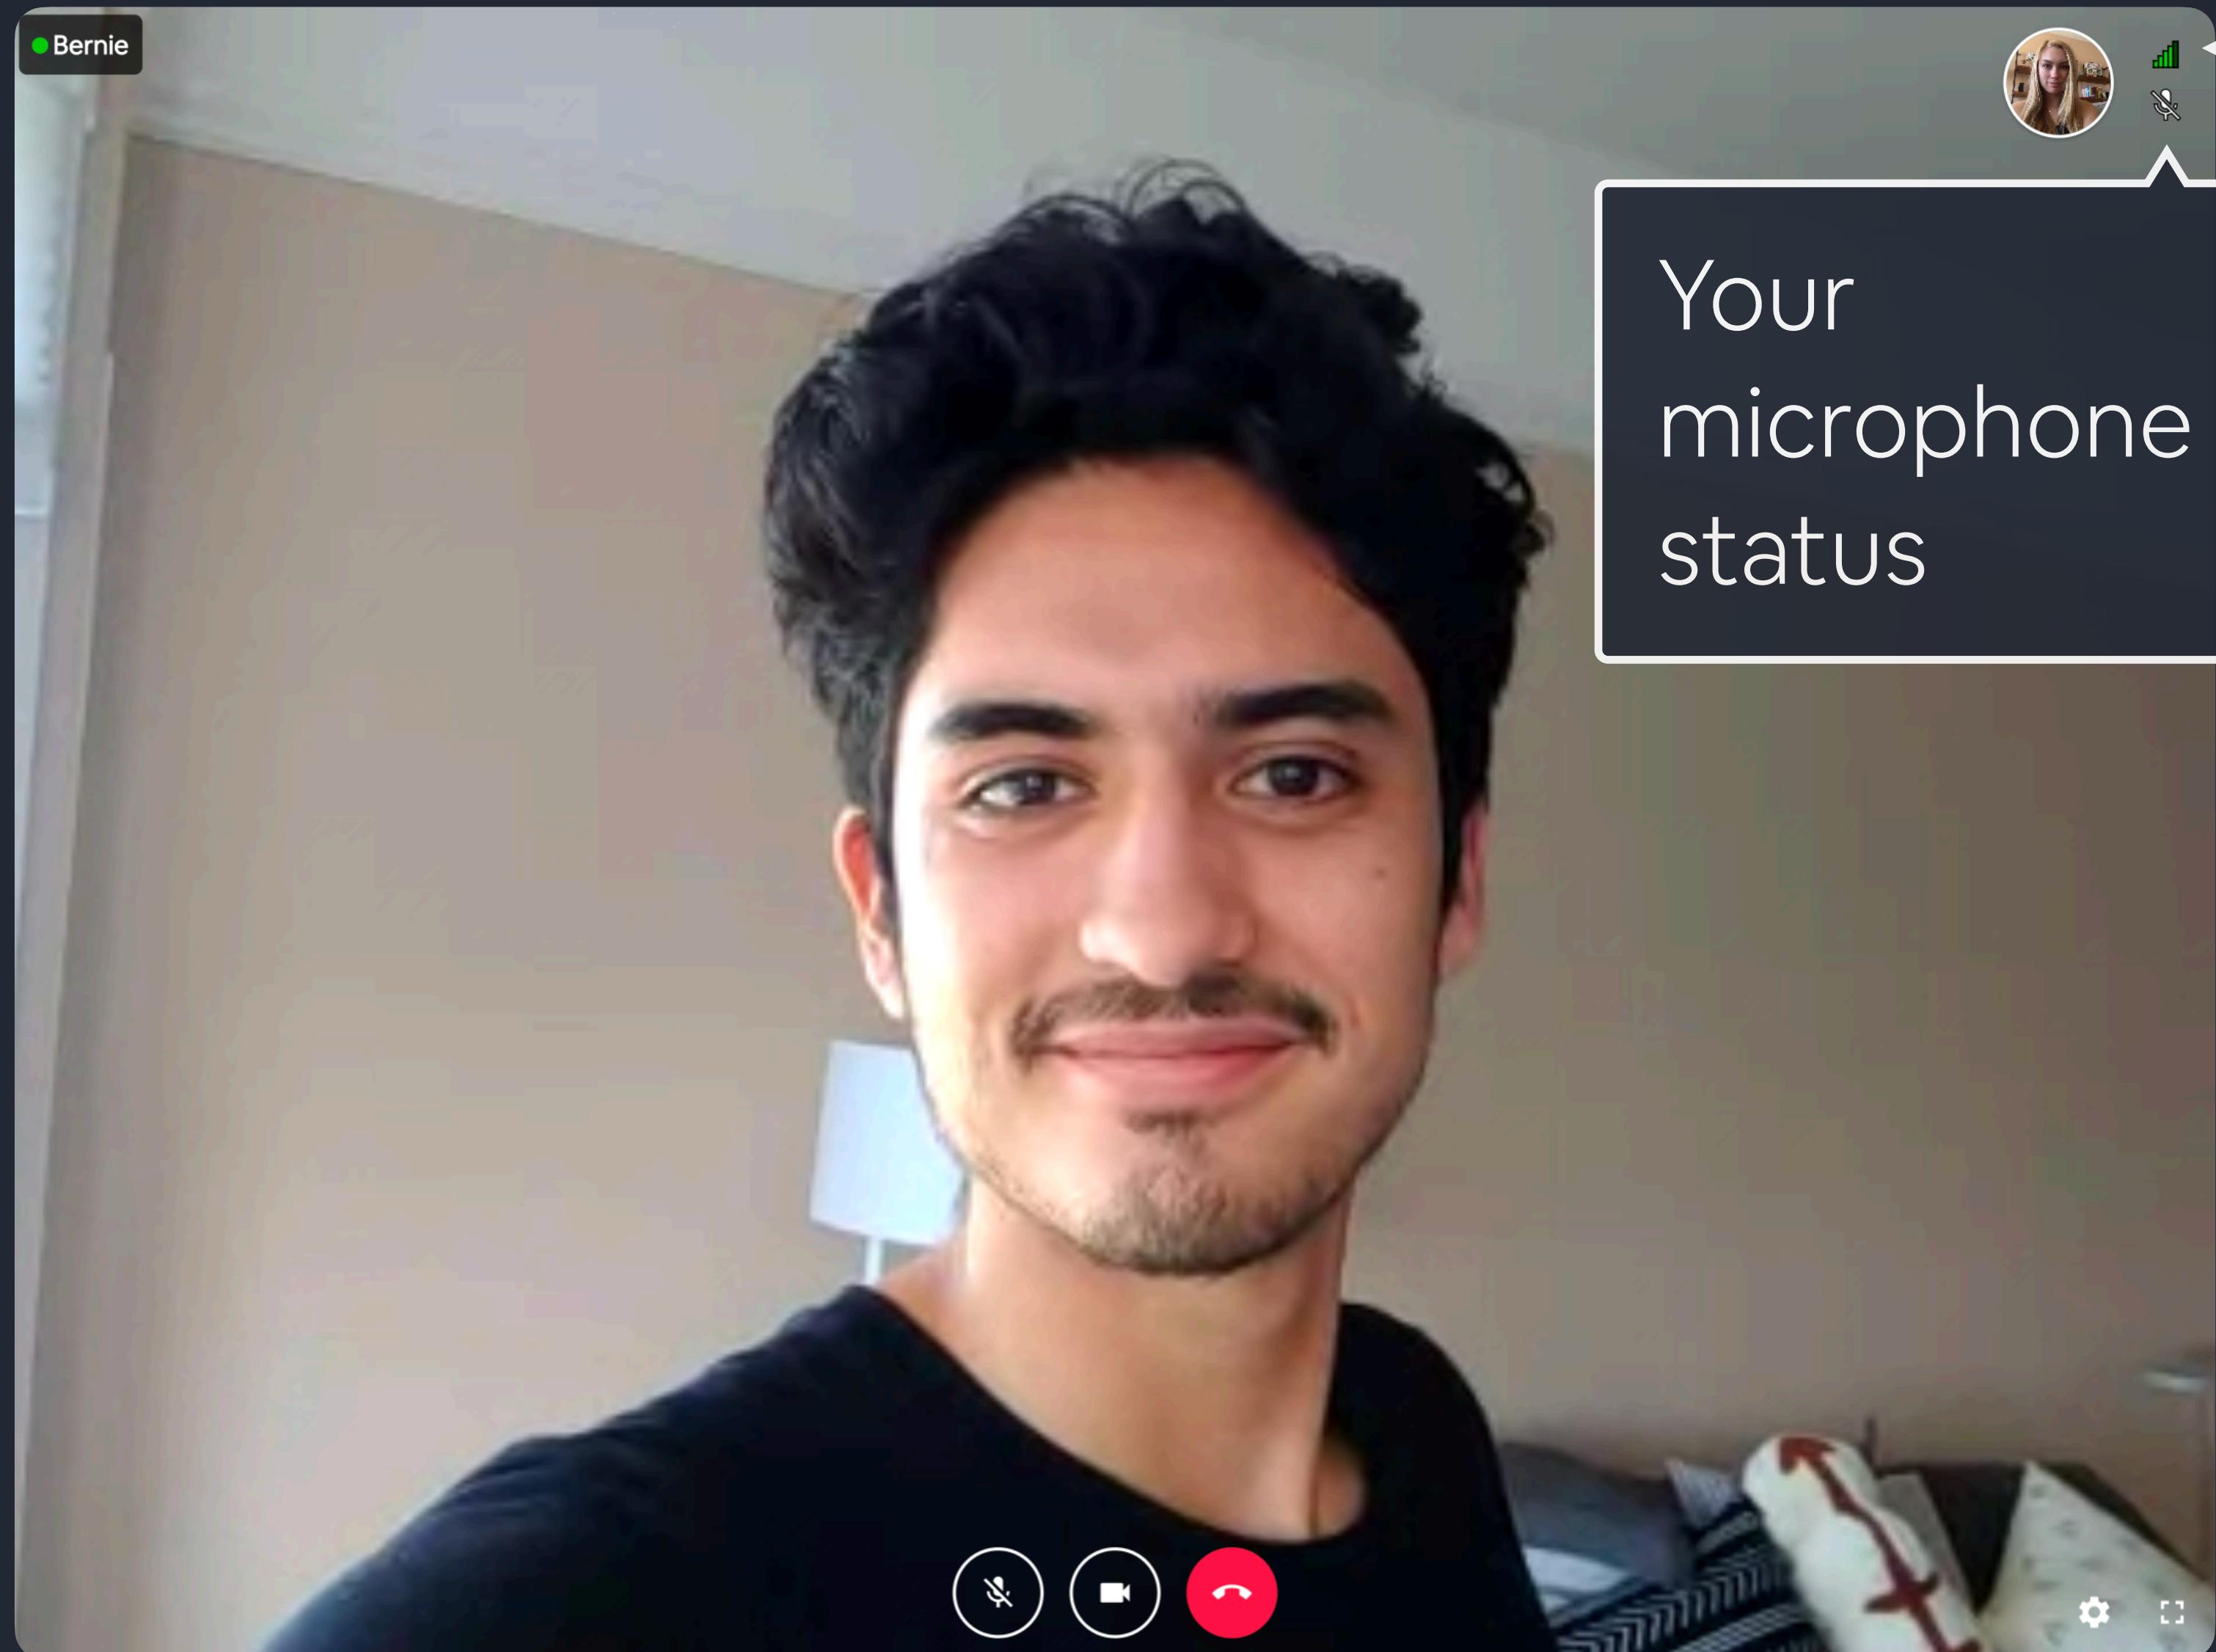

At the bottom of the white card, there is a blue "Admit" button. To the right of this card, a large, semi-transparent dark rectangular callout box contains the text "Click ‘Admit’ to let them into the session". The overall background of the screen is dark.

5. Have session with your client

that session

6. Instruct client to submit Feedback

After each session, your client will be asked to complete a short questionnaire about their session. This feedback will be shared directly with you

Please share your feedback with Jane

To help Jane improve, please share how you feel about your session.

6. Instruct client to submit Feedback

Ideally you should instruct your client to submit the Feedback form immediately after the session. However, if they don't comply, they will be asked to complete it when they try to join their next session

Please share your feedback with Jane

To help Jane improve, please share how you feel about your session.

8. Client Metrics

Allminds 6:54 pm · Sat, Jul 11

The screenshot shows the Allminds client metrics interface. At the top, it displays "Allminds 6:54 pm · Sat, Jul 11". Below this is a profile picture of a cartoon character and the name "Bernie". To the right is a blue button labeled "Start a session". On the left, there's a sidebar with "Hello Juan!" and "juan@allminds.io". It includes links for "Dashboard", "Search Clients", "Add Client", and a highlighted "Bernie Sanders" card. The main area features two line charts: "Client Well-being" and "Session Feedback", both spanning from June 2 to June 30. The "Client Well-being" chart shows multiple colored lines (grey, yellow, pink, dark blue) fluctuating between 0 and 10. The "Session Feedback" chart shows four colored lines (blue, green, grey, dark blue) fluctuating between 0 and 10. A large callout box in the bottom center states: "After each session, your client's self-reported well-being will be tracked here".

Allminds 7:09 pm · Sat, Jul 11

The dashboard features a central callout: "Welcome to Allminds! Add your first clients to get started". Below it, a large dark box says "You can keep track of your daily productivity right here". To the left, a sidebar lists clients: Bernie Sanders, Barack Obama, Joe Biden, Elizabeth Warren, and Hillary Clinton. The main area has two sections: "Productivity" (bar chart) and "Hours" (donut chart). The Productivity chart shows 10.98 hrs with categories: Outreach (blue), Individual Therapy (blue), Family Therapy (purple), and Case Management (pink). The Hours chart shows 11.91 hrs with segments: 7.47 (blue), 1.75 (red), 1.86 (purple), and 0.83 (cyan).

11. Troubleshooting

Because Allminds is in “Alpha”, you might encounter technical bugs as you use the app. Here are some common tips to troubleshoot potential issues:

Make sure you and your client are using a supported browser

Allminds will only run properly on certain browsers, depending on the device that you are using.

	Chrome	Firefox	Safari**	Edge (Legacy*** & Chromium)
Android	✓	✓	-	-
iOS	*	*	✓	-
Linux	✓	✓	-	-
macOS	✓	✓	✓	-

If the app won't load (you see a blank screen)

- Try refreshing your browser
- If the screen is still blank, close your browser, re-open it and navigate back to
<https://allminds.io>
- If the issue persists, try logging out and logging back in (if you are able to)

If you cannot connect to a video call

- Make sure you are using a support browser
- Check your browser settings to and make sure you have granted permissions to your camera and microphone (see next slides for instructions)

If you accidentally deny camera/mic permissions

- You will need to manually grant permissions through your browser settings. Here are the instructions for the browsers we support

Change a site's camera & microphone permissions

1. Open Chrome .
2. At the top right, click More  > Settings.
3. Under "Privacy and security," click Site settings.
4. Click Camera or Microphone.
 - Turn Ask before accessing on or off.
 - To remove an existing exception or permission, to the right of the site, click Delete .

If you're using a Chrome device at work or school, your network administrator can set camera and microphone settings for you. In that case, you can't change them here. [Learn about using a managed Chrome device.](#)

Google Chrome

If you accidentally deny camera/mic permissions

- You will need to manually grant permissions through your browser settings. Here are the instructions for the browsers we support

Change Websites preferences in Safari on Mac

In the Safari app 🚗 on your Mac, use Websites preferences to customize how you browse individual websites. To change these preferences, choose Safari > Preferences, then click Websites.

The settings you can customize (such as Reader and Content Blockers) are listed on the left.

To apply a setting to a website on the right, first select the setting, then choose the option you want from the pop-menu next to the website.

Camera

- Ask*: The site must ask if it can use the camera on your Mac.
- Deny*: The site can't use your camera.
- Allow*: The site can always use your camera.

Microphone

- Ask*: The site must ask if it can use the microphone on your Mac.
- Deny*: The site can't use your microphone.
- Allow*: The site can always use your microphone.

Safari

If you accidentally deny camera/mic permissions

- You will need to manually grant permissions through your browser settings. Here are the instructions for the browsers we support

Changing camera permissions

- Click the menu button  and select **Preferences**.
- Click **Privacy & Security** from the left menu.
- Scroll down to the Permissions section.
- Click the **Settings...** button for the Camera option.
- Enter the website URL in the Search field for the site that you want to access your camera.
- Press the **Enter** key.
The website displays in the list below. You can remove it at any time by selecting it from the list and clicking the **Remove Website**.
- Select the **Block new requests asking to access your camera** checkbox if you do not want to give any other sites access to your camera.
- Click the **Save Changes** button.

Changing microphone permissions

- Click the menu button  and select **Preferences**.
- Click **Privacy & Security** from the left menu.
- Scroll down to the Permissions section.
- Click the **Settings...** button for the Microphone option.
- Enter the website URL in the Search field for the site that you want to access your microphone.
- Press the **Enter** key.
The website displays in the list below. You can remove it at any time by selecting it from the list and clicking the **Remove Website**.
- Select the **Block new requests asking to access your microphone** checkbox if you do not want to give any other sites access to your microphone.
- Click the **Save Changes** button.
